EDC is returning to 2014 Spring Town Meeting with articles for **River's Edge**, which would allow potential housing on unused, town-owned land on Route 20, next to the transfer station access road.

Wayland Economic Development Committee
invites you to explore

What could housing at River's Edge be like?

EDC is hosting two tours of new rental communities – the first tour is senior-focused, and the second will focus on non-age-restricted housing – to explore what housing on the River's Edge site might look and/or be like.

Please join us on our **first tour** of two recently- and soon-to-be-completed **senior-focused 55+ apartment communities**:
