

Our beloved cat, Snuggles, disappeared from our house over the Christmas vacation while we were away. He is a grey/white lynx-point Siamese with blue eyes. He is very friendly and should come over when called. Please keep your eyes out for him, and please check any storage sheds or buildings on your property in case he tried to find a warm place to hide. If you see him, please call me immediately:

508-314-0438

Thank you so much.
