April Vacation @ Minuteman!

Tuesday - Friday, April 19-22

Artrageous Art

Bring your creative abilities as we make all sorts of masterpieces this week! Ever wonder what can be made using crayons, fabric, thread, paper, glue, stamps and a little imagination? Join us to find out more!

Morning section: 8:30-11:30 am: Grades 1-5 | \$150

Afternoon section: 12:00-3:00 pm: Grades 1-5 | \$150

Aspiring Chefs: See what's cooking!

Put on an apron and pull up your sleeves! You'll be cooking in a professional kitchen and making lots of goodies. Of course, you'll get to sample your cooking and bring some home for your family!

Morning section: 8:30-11:30 am: Grades 6-8 | \$175

Afternoon section: 12:00-3:00 pm: Grades 4-5 | \$175

Beginner Baking: It's a piece of cake!

In this hands-on baking class we will do a little bit of everything, from proper recipe reading and measuring cup use to decorating a cake with basic designs. Go home with mouth watering bakery treats such as cinnamon rolls, brownies, cookies, muffins, cakes, quick breads and much more!

Morning section: 8:30-11:30 am: Grades 4-5 | \$175

Afternoon section: 12:00-3:00 pm: Grades 6-8 | \$175

Material Engineering

Have fun building with an assortment of materials to complete hands-on design challenges. Experiment with engineering principles to learn what makes structures strong. Create and test classic architectural shapes such as columns and arches. Kid architects and engineers take on the real world and create load bearing bridges, towers to hold up a water supply and a CD hovercraft. Test your knowledge by designing blueprints & sketches to build a house for a bird and a soaring skyscraper.

Full day: 8:30 am - 3:00 pm: Grades 1-5 | \$325

Driver's Ed with CS Driving School

CS Driving School empowers students with a "common sense approach to driving". We build confidence in the Classroom and Behind-the-Wheel.

We offer a Massachusetts Registry of Motor Vehicle (RMV) approved curriculum taught by our professionally licensed instructors. Our program is designed to accommodate all learning styles so every student experiences a successful transition in becoming a competent and safe licensed driver.

Classroom Instruction can begin at 15 years, 9 months old. Teens must be 16 years old to get their Learner's Permit.

We look forward to meeting you in the Classroom and Behind-the-Wheel.

Parent Class: Thurs, Apr 11, 6:30-8:30pm

Tues - Sat, Apr 19-23, 9am-3:30pm | \$695

Joining us for the full day? Bring your lunch!

We will meet in the cafeteria before
Morning & Afternoon Sessions on Tuesday.
