

Sudbury Wayland Lincoln Domestic Violence Roundtable Valentine's Day Gift Collection

For adults and children in shelters

Each year the Sudbury Wayland Lincoln Domestic Violence Roundtable sponsors a Valentine's Day gift bag drive to help make the day brighter for individuals who are not safe in their homes. They reside in shelters and transitional homes of three domestic violence organizations: REACH Beyond Domestic Violence, The Second Step and Voices Against Violence. The gift bags remind the recipients that people care and think of them at this time. Each individual receives a bag of small age appropriate items.

February 6-13

A basket for donations is located at the Wayland Public Safety Building at the intersection of Route 20 and Route 27 in Wayland
