SCIENCE EXPLORERS CLUB

THINK LIKE A SCIENTIST!!

WONDER - EXPERIMENT - DISCOVER

Target Group: Students in Grades 3-5

Date: Tuesdays: October 20, 27, November 3, 10, 17, December 1, 8, 15

Location: Claypit Hill and Happy Hollow (Rooms TBA)

Time: 3:00-4:45

Deadline to Sign-up: October 5, 2009

Fee: \$120 for eight weeks (\$15/session)

Wayland Public Schools is offering an exciting afterschool science club for students in grades 3-5. The students will explore and focus on real-life scientists in our world. We will highlight eight specific scientists, one each week, and learn about what they study, how they do their job, and why it is important. Students will have the exciting experience to think like a real scientist as they engage in highly interesting and exciting hands-on experiments that will be inquiry-based and model the scientific method.

The fee for this program will include all materials that students will be able to take home, a club t-shirt, and a snack.

Attached is the form if your child is interested in joining the Science Explorers Club. Please fill out the form and send along a check made out to WAYLAND SCHOOL COMMUNITY PROGRAMS for \$120. Please write Science in the memo part of check. More information to follow for those that join!
